

# Innovate2010

## COMES TO YOU

Federal — Washington, D.C.

Let's **build** a smarter planet.

## You are invited to Federal Innovate on November 4<sup>th</sup> in DC!

Join us for an interactive event focused on the software and business issues facing Federal agencies today. Learn how IBM and its Business Partners can help automate, integrate and govern the core business process of software and systems delivery.

- Network and collaborate with systems, software and services delivery experts
- Listen to the latest product announcements from IBM Rational
- Engage with Business Partners at the partner exhibit

**When:** November 4<sup>th</sup>, 2010

**Where:** Washington Marriott Wardman Park  
2660 Woodley Road NW,  
Washington DC 20008  
202-328-2000

**Time:** 8:00am to 5:00pm

**Register:** [https://www-950.ibm.com/events/wwe/grp/grp004.nsf/v16\\_agenda?openform&seminar=CQ7UCRES&locale=en\\_US](https://www-950.ibm.com/events/wwe/grp/grp004.nsf/v16_agenda?openform&seminar=CQ7UCRES&locale=en_US)

### Sessions Include:

- Software Security in Practice at Federal Agencies
- Rational Solutions for Collaborative Lifecycle Management
- Enterprise Modernization, The IBM Rational Strategy for Adding Value of Existing Assets while Reducing Costs
- Requirements Management: The IBM Rational Vision, Strategy and Roadmap
- IBM® Rational® Workbench for Systems and Software Engineering
- Case Study: The world is flatter - software development and reducing barriers with Rational Team Concert
